

tapl/taplTypes.hpp

```
graph TD; A[tapl/taplTypes.hpp] --> B[vector]; A --> C[opencv2/core.hpp];
```

The diagram illustrates the dependencies of the file `tapl/taplTypes.hpp`. It is represented as a box at the top with two arrows pointing downwards to two other boxes: `vector` on the left and `opencv2/core.hpp` on the right.

vector

opencv2/core.hpp
